Product description

Funeral artistic cremation ashes sculpture urn (Grief)

Cremation urns are our speciality and we take pride in their artistic nature and original designs. We especially love this particular cremation urn, which manages to couple up a contemporary but also elegant design. The wooden base of the urn is as simple as can be, but when the bronze figure of a crying lady is placed over it, it is rendered so beautiful! The urn opens at the bottom and it is secured by screws for your loved one's ashes safekeeping. The urn measures 16cm by 16cm by 26cm and so it is large enough for an adult person's ashes.
