Product description

Cremation urns for married or parents. „Together Forever” - set of two urns for two people.

"Together Forever" is a special set of two urns, designed for two people close to each other, united by marriage. The white and black colours commemorate the moment of their wedding, during which they swore to be together forever.

Faithful to their vows, they can rest side by side in the colours in which they swore love, fidelity and marital integrity to each other. They will remain forever remembered as a compatible and loving couple.

The Together Forever urn set can look beautiful amongst the flowers and against the backdrop of your wedding day photo.

The set includes two metal urns painted with decoupage technique, which gives the urns an unusual look. Natural cracks are created by using a special varnish.

The excellent and accurate painting and the solidity of the metal materials make these urns true works of art.

If you choose the option with a memorial plaque, please remember to send two texts. The plaques are attached to the urns in an envelope for self-adhesive.
